Re: In re MB Dkt. Nos. 17-105; 18-202

Dear Ms. Dortch:

On March 13, 2019, Keith Murphy, Senior Vice President, Government Relations and Regulatory Counsel of Viacom; and Jacqueline Clary, Senior Director, Program Network Policy of NCTA – The Internet & Television Association; and the undersigned, met with Joel Miller, Chief of Staff and Media Legal Advisor to Commissioner Michael O’Rielly, regarding the above-captioned proceedings.

Consistent with NCTA filings in the docket,¹ we explained that the marketplace for children’s programming has changed significantly in recent years, including a marked shift to online consumption. We reiterated the industry’s commitment to quality children’s programming and urged the Commission to modernize its children’s video rules in order to provide non-broadcast program networks greater flexibility to serve their audiences.

Please address any questions regarding the foregoing to the undersigned.

Sincerely,

/s/ **Rick Chessen**
